*After rendezvousing at the meeting place, she found her tribe of VEs, connecting with new adventurers and reconnecting with old team members before heading out on their journey. Throughout their time together they learned, played, laughed, and supported each other as the trail led them to a discovery of their deepest, unrealized desires.*

On this quest for learning, you will uncover:

-  How to define what success looks like for you.
-  The location of the lost treasure to enhance your business.
-  How to conquer the challenges to claim your reward.

As you follow your guide on this quest, the definition, purpose, and growth of your business will be refined. You will find the level that is right for you through training, networking, and some frolicing fun!

*The journey was exciting, but also challenging at times. Villains popped out of the shadows when she least expected it. Was this villain real or was it all in her mind? As she fought for her beliefs and struggled for her freedom, her guide whispered, "I will believe in you until you believe in yourself." She soon found herself victorious and less afraid of the shadows.*

There are always obstacles on the way to recovering the holy grail. Trying to deal with your unique challenge alone is grueling. Your guide will help you conquer the villains along the way!

You will learn how to read the treasure map and claim your reward. The trek will be exhilarating and sometimes challenging, but well worth the effort. Playing it safe is no longer an option. It is time to fearlessly travel forward.

And finally you reach the holy grail. It sparkles in the light and takes your breath away. As you uncover it you see the most beautiful gem ... SUCCESS ON YOUR TERMS!

Along the trail you will collect artifacts like:

-  A treasure chest filled with knowledge, motivation, and ideas to grow your business.
-  The crown jewels of support and group coaching.
-  Networking adventures with other Virtual Experts®.
-  Legendary training sessions from those who have blazed the trails before you.
-  Tools and skills to successfully face the challenges on your Virtual Expert® journey.
